Dated: 20<sup>th</sup> March 2018

**REQUEST FOR PROPOSAL**

The Guwahati Metropolitan Development Authority (GMDA) invites Requests for Proposals (RFP) from experienced and reputed consultants/firms experienced in the preparation of Master Plan/Zonal Plan/Conservation Plan to undertake a **COMPREHENSIVE STUDY OF NILACHAL HILL AND ITS ADJOINING HILLOCKS FOR PREPARING A MASTER PLAN, ZONING REGULATION AND BUILDING BYE LAW ALONG WITH A BIODIVERSITY CONSERVATION PLAN.**

The Nilachal hill under GMDA jurisdiction is governed by the present Master Plan. However, in order to preserve the historical significance and to conserve the rich biodiversity present, it has become necessary to formulate a Specific Master Plan along with a separate Building Bye law to regulate and guide the future course of development in the area in order to protect it from haphazard growth and also to show case it for future generation.

Interested consultants/firms are therefore invited to submit their RFP (Separate Technical and Financial RFP) for the proposed work.

The Detailed Terms of Reference (TOR) and other conditions may be seen and downloaded from GMDA's website <http://www.gmda.assam.gov.in> The RFP document is available to download from 20<sup>th</sup> March 2018.

The RFP must be submitted as per the guidelines set forth in the RFP document and should reach the office of the undersigned latest by 25/04/2018 before 15:00 hrs. A non-refundable amount of Rs. 5000/- ( Rupees Five Thousand) only towards processing fee through a demand draft drawn in favour of CEO, GMDA and payable at Guwahati should be submitted with the RFP.
